

# MOUNTAIN PEOPLE'S COOPERATIVE

## MEMBERSHIP BENEFITS

We are proud to say that as of October 2017 we have 680+ active members/owners.

If you are not familiar with co-ops, here is how it works. We are owned, run, and operated by our members. Anyone can join for as little as \$30/year. We are run democratically by a board. Our board is elected by the members, from the members. We have a president, vice president, historian, treasurer, and regular board members (nine in total). The board meets once a month to discuss pressing issues. Everyone is welcome at these meetings.

We offer a tiered membership structure to strengthen business and pass additional savings to the community.
